ROSE HILL NURSERIES

New Rochelle, N. Y.

We herewith present our Wholesale Trade-List for the spring and summer of 1897, including the very best things for Florists' sales. Our stock, immense in its proportions, is all grown cool, and the plants are not drawn. All here listed is home-grown, and not imported.

These Prices are for the Trade only, and supersede all previous quotations.

Terms, Cash with order, or satisfactory reference from those with whom we have not had previous business dealings.

Remittance. Remittances can be made by draft, registered letter, or post office money order on New Rochelle, or New York, or money order through any of the express companies.

Shipping Facilities via Adams Express Co., by which we receive 20 per cent discount; **Freight** via New York, New Haven and Hartford Railroad direct to all points east and northeast; or via New Rochelle and New York Transportation Line, which transfers in New York to any express or freight lines. We always use our best efforts to obtain the cheapest rates for customers, and also adopt the quickest way to reach destination. If customers will please name the mode of conveyance by which they desire their shipments made, we shall be glad to obey; otherwise we shall use our best judgment. After delivery to the forwarders, all articles are at the risk of the purchasers, unless otherwise agreed. Should any delay or loss occur, the forwarder alone may be held responsible.

Claims. All claims for errors must be made on receipt of stock. We desire to be informed at once of any errors that may occur, in order to rectify same without delay.

We invite personal inspection before placing orders, and believe florists will find themselves well repaid for a visit to our model horticultural establishment, which is but 16 miles from New York, and easily reached by hourly trains from Grand Central Depot, on the N. Y., N. H. and Hartford R. R. **Write, telephone or telegraph us**, and a carriage will meet you at the New Rochelle station, returning you to train after your visit (Rose Hill is only 1½ miles from station).

useful decorative plants known, being something which has long been wanted — a variegated plant which will stand exposure. It will be in the greatest demand, for it can be used the same as an *Aspidistra*. It is very rich in color, and whenever set amongst other plants, whether in a jardinière, table decoration or elsewhere, will brighten and give life to all. The color is silvery white, with green stripes alternating. The plants we offer are in fine shape for growing on, or indeed for immediate use; and as we have prepared a great stock of this most excellent *Dracæna*, we can sell it at a very low figure.
